**OVER 25 YEARS
WITH INDEPENDENT
PET SPECIALTY STORES
AND WE LIKE IT
THAT WAY.**

Things change fast in the pet food industry. Big brands get bigger, manufacturers consolidate, and once loyal brands can lose focus of their core foundation and community. At Triumph®, We Value family ownership and independent pet specialty operation. In fact, we've been a family business, running family owned facilities since our start. Our exclusive and steadfast commitment to independent pet specialty retailers is at the heart of what we do, and we pledge our allegiance to the good old American dream right along with you. We aren't going anywhere.

With You, the Independent, we'll Triumph Together.
