

Daily Support for Mental Well-Being

Keep Pets Happy and Calm with NOW® Pets Pet Relaxant

NOW® Pets Pet Relaxant is specifically formulated to promote contentment and relaxation during changes to a pet's daily routine, including travel, separation, and general tension. Made with L-tryptophan and several herbs known for their calming and relaxing properties, this targeted formula can serve as an ideal adjunct to the care you provide your clients' pets.

NOW® Pets also offers these quality pet formulas:

- G.I. Support
- Immune Support
- Joint Support
- Omega-3 Support
- Pet Allergy
- Pet Relaxant
- Urinary Support
- Weight Management
- L-Lysine for Cats
