

New Ways to Feed Fresh

The innovators who introduced fresh vegetables to your dog's bowl are back with something new and nourishing ...

Introducing Vitality Blend

A gently warming blend with vibrant organic fruits and vegetables like raspberries, purple carrots, and purple cabbage. Enhanced with wild-harvested venison bone broth, it supports gut health and joint care — perfect for older pets or as part of a rotation for phytonutrient variety.

And you asked — so we delivered!

All your favorite Green Juju blends are now available in convenient freeze-dried form.
