THANK YOU! LESLIE YELLIN RETIRES AFTER 24 YEARS WITH MULTIPET

After working with Multipet for 24 years, Executive Vice President Leslie Yellin has decided to retire. Leslie has championed our company since day one, and has been a tremendous asset to our growth. Her dedication and hard work is the driving force behind most of our professional partnerships. "Leslie's tireless work ethic, fierce determination, and unwavering commitment to excellence have set a standard that will be felt long after

her departure," says Mark Hirschberg, president of Multipet International. "Leslie helped raise the bar for us to improve the professionalism and integrity of this company."

Leslie, thank you for your complete commitment and loyalty to our company during pivotal years in our success. We will always appreciate your incredible intellect, enthusiasm, and love for our company. Best wishes in your retirement!

LOVE,
