

WORLD PET ASSOCIATION FOSTERS COLLABORATION

“At Patchwork Pet, we believe in creating joyful, expressive moments between pets and their parents. As the Chairman of the WPA Board, I’ve seen firsthand how WPA’s Good Works make a lasting impact on the pet industry. My passion lies in fostering a collaborative international pet community, and supporting these initiatives is essential to protecting the industry we love—allowing brands like ours to thrive and bring happiness to pets everywhere.”

MIKE LOU, Owner of Patchwork Pet

As WPA Chairman, Mike advocates for a more symbiotic pet community for the well being of pets and people.

World Pet Association enriches the lives of animals and humans and cultivates a healthier and more collaborative pet retail community.
