

# The Pet Operating System

## Because Every Pet Store Deserves a Loyal POS.

Running a pet business takes heart and the right technology. Franpos is the POS system built to stay loyal to your success, helping you manage every part of your operation in one smart, easy-to-use platform.

From sales and inventory to loyalty programs, boarding and daycare scheduling, and mobile grooming services, Franpos streamlines your daily operations so you can focus on what really matters — your customers and their pets.

With seamless integration with leading pet industry distributors, automated reporting, and built-in marketing tools, Franpos keeps your shelves stocked, your team connected, and your business growing. Plus, with access to capital funding and 24/7 U.S.-based support, you're never on your own.
